Postcrossing

trasforma la nostra
cassetta della posta in una
“cassetta delle sorprese”

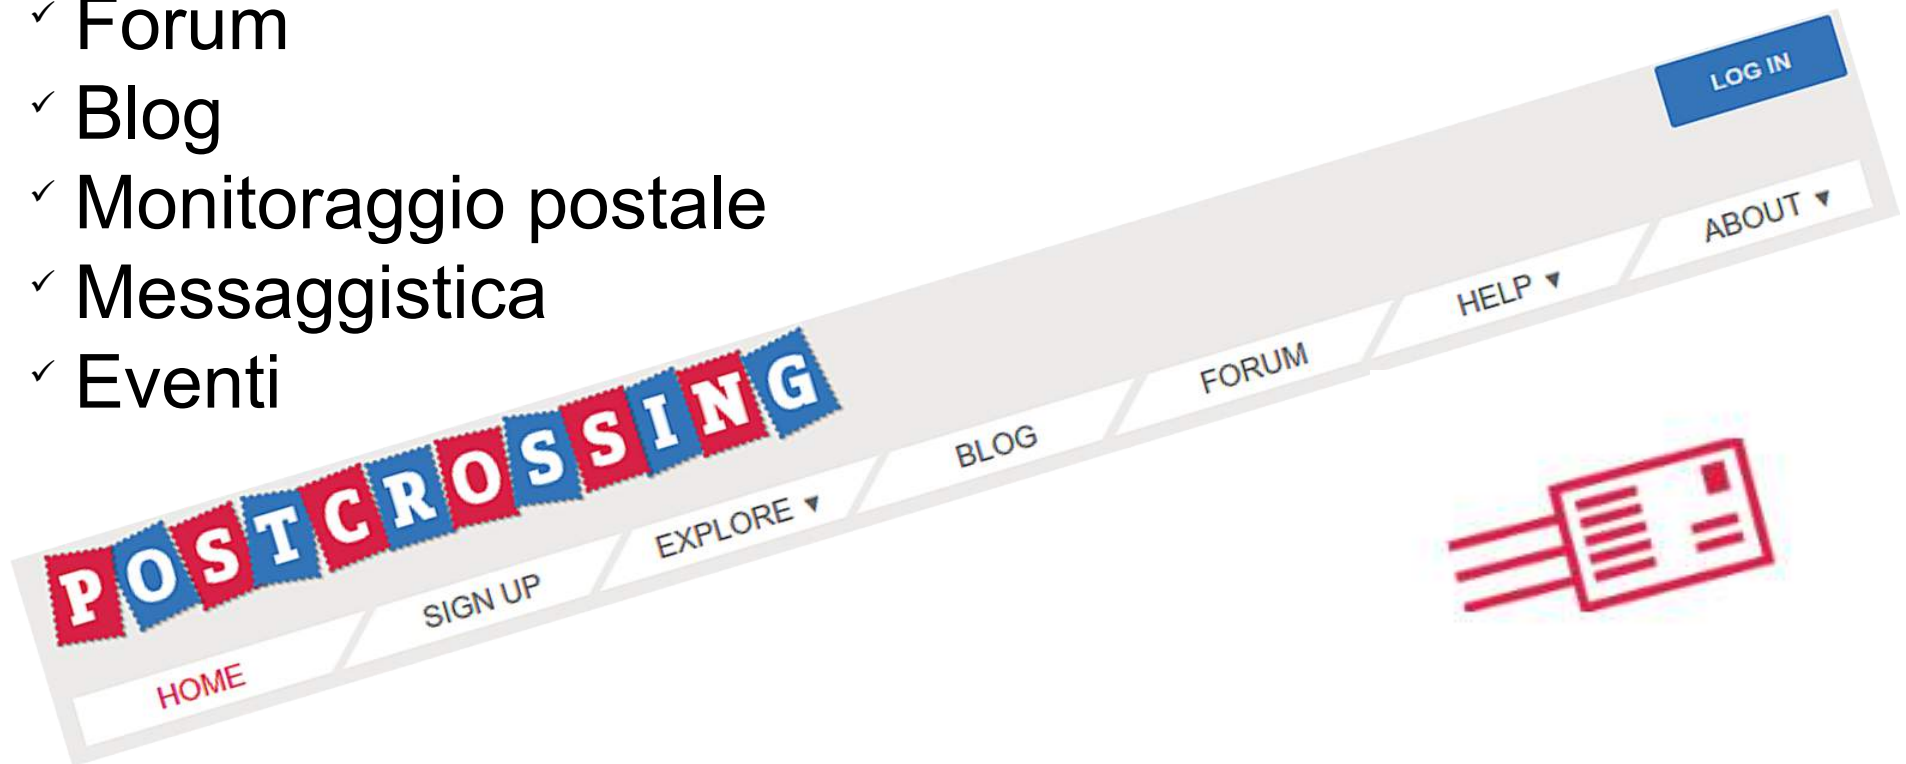

Da un progetto iniziale ad una organizzazione strutturata:

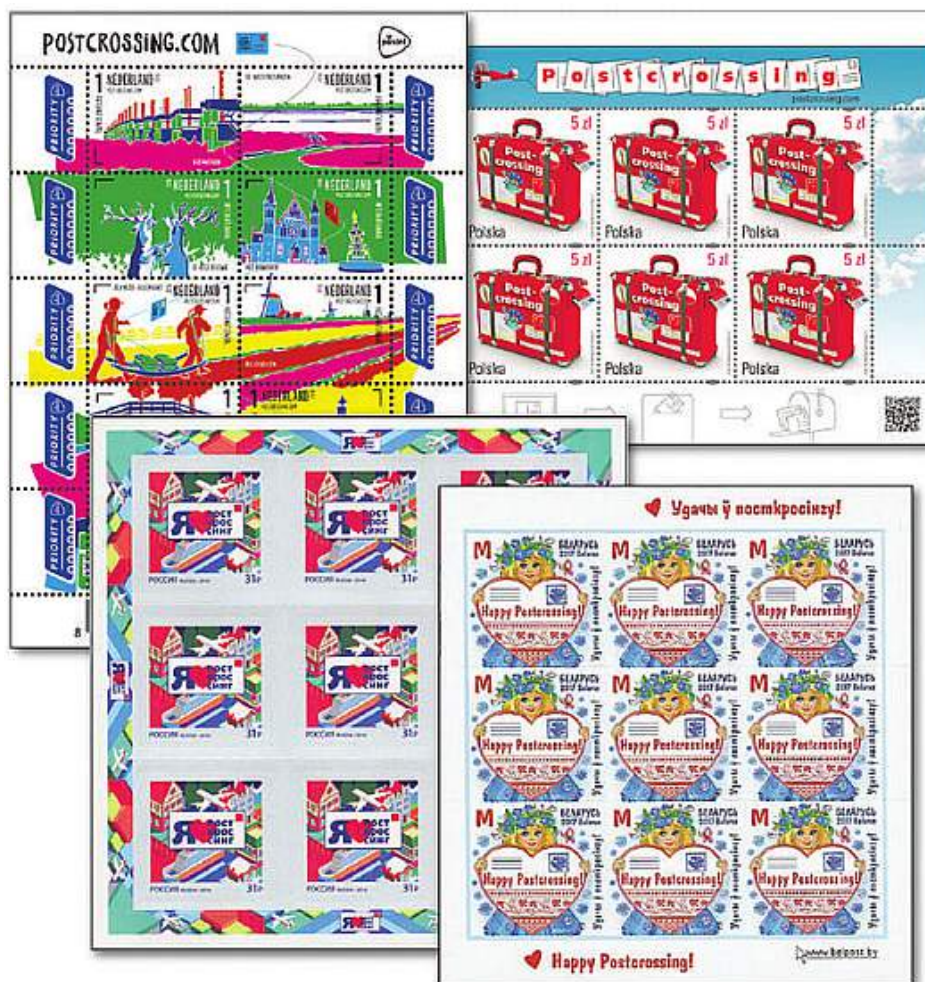

- ✓ Direzione internazionale
- ✓ Forum
- ✓ Blog
- ✓ Monitoraggio postale
- ✓ Messaggistica
- ✓ Eventi

Caratteri di eccellenza:

- ✓ Rilancio della comunicazione postale tradizionale e della scrittura analogica.
- ✓ Rilancio dell'attenzione verso la filatelia, la marcofilia e la storia postale.
- ✓ Capacità di fare conoscere le culture locali nel resto del mondo.
- ✓ Strumento di comunicazione di pace universale.
